Legal administrators manage more than a law firm's personnel, finances, and human resources — they assist in managing your firm's level of service and reputation for quality. As they navigate the daily pressures of firm management, who can they turn to to improve their skills?

The Independence Chapter of the Association of Legal Administrators brings together legal administrators from Bucks, Chester, Delaware, Lehigh and Montgomery counties for:

- **Educational Opportunities**  
Seminars in finance, human resources, technology, disaster recovery, ethics, marketing, and professional development.
- **Networking and Leadership Opportunities**
- **Collegial Support through Monthly Luncheons**
